

USA PATRIOT ACT

To help the government fight the funding of terrorism and money laundering activities, federal law (The USA Patriot Act) requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask you for your name address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
